Flame Retardent Backing

Our refrigeration models have had their backing updated to either an aluminium foil covered back, or a full metal back. So, you can rest easy knowing that your refrigerator has been manufactured with fire safety in mind.

The flame retardant backing we have chosen for our refrigeration product goes beyond the current government guidelines. It also exceeds the guidelines set out by the government for the coming year (2019).

Accessories Included:
1 x Wire Shelf
1 x Drip/Grill Tray
1 x Handle
Gas LPG Jets (some models)

Optional Extras:
Wire Shelf
Drip/Grill Tray
Handle
Gas LPG Jets

Extra grill pan and handles as well as additional wire shelves and LPG jets are available from Montpellier Customer Services. You can call or email your requirements to the following:
